I acknowledge I have received, have read (or have had read to me), and understand the Patient Service Agreement and any other information about the therapy I am considering. I have had all my question answered completely.  I understand developing a treatment plan with this therapist and regularly reviewing our work toward meeting the treatment goals are in my best interest. I agree to play an active role in this process.  I understand no promises have been made to me as to the results of treatment or of any procedure provided by this therapist.  I am aware I may stop treatment with this therapist at any time and, if I do cease treatment, the only thing I will be responsible for is paying for services already received. However, I am also aware a appropriate termination of therapy is in my best interest.  I know I must call to cancel an appointment at least 24 hours before the time of the appointment. If I do not cancel and do not show up, I will automatically be charged for that appointment with the credit car
